BOWERMAN FOR OREGON

(Associated Press Cable.)

PORTLAND, Ore., Sept. 25.—The
plurality, at the primaries, of Jay
Bowerman, aspirant for the Republi-
can nomination for Governor, is
1200. Although Bowerman is a vig-
orous opponent of the Oregon sys-
tem of electing Governors, the propo-
sal to pledge the legislators to
abide by the popular choice for Sena-
tors carried in the primaries over-
whelmingly. It was under this sys-
tem that George W. Chamberlain, a
Democrat, was elected two years ago
by a Republican Legislature.

Oswald West has been nominated
as the Democratic candidate for
Governor. A. W. Lafferty, who is
classified as an insurgent, is nominated
for Congress. Congressman Hawley
has been renominated.

WANT GREAT BRITAIN

TO QUIT EGYPT

BRUSSELS, Sept. 25.—At the
meeting yesterday in this city of the
national Egyptian congress a resolu-
tion was adopted to the effect that
the occupation of Egypt by the En-
glish forces was not according to the
legal understanding between nations.
The resolution is in the nature of a
demand that the British at once
evacuate the lands under Egyptian
jurisdiction, also calling for a res-
toration of the constitution of 1881.

From 1879 to 1883 two control-
lers-general, appointed by France
and England, had considerable power
in the direction of affairs of the
country. In the summer of 1882, in
consequence of a military rebellion,
England intervened, subdued the ris-
ing and restored the authority of the
Khedive, in which intervention En-
gland was not joined by France.

As a result the Khedive, on Janu-
ary 18, 1883, signed a decree abol-
ishing the joint control of England
and France. In the place of the
control above referred to, the Khe-
dive, on the recommendation of En-
gland, appointed an English financial
adviser without whose concurrence
no financial decision can be taken.

NURSE TELLS OF

DOCTOR'S CRIME

SAN FRANCISCO, Sept. 25.—
Marie Messerschmidt has confessed
that Dr. James Grant, whose nurse
she was, operated fatally on Eva
Swan, the stenographer, whose body
was found buried in the rear of a
vacant house in the southern part
of this city.

According to the nurse's story,
when Dr. Grant's illegal operation
resulted fatally, he mutilated the
body of the dead girl to prevent its
identification, and then buried the
remains where he hoped they would
not be found.

Paul Parker, a friend of Eva
Swan, has been arrested by the po-
lice on suspicion of having had some
part in the crime. He, however, de-
nies any participation in it.

TUMOR OF FOUR YEARS GROWTH

Removed by Lydia E. Pink- ham's Vegetable Compound

South Bend, Ind. — "Lydia E. Pink-
ham's Vegetable Compound removed

a cyst tumor of
four years' growth,
which three of the
best physicians de-
clared I had. They
said that only an
operation could
help me. I am very
glad that I followed
a friend's advice
and took Lydia E.
Pinkham's Vegeta-
ble Compound, for it
has made me a
strong and well
woman, and I shall
recommend it as
long as I live." — Mrs. May Fry,
Lindley, Ind.

One of the greatest triumphs of
Lydia E. Pinkham's Vegetable Com-
pound is the conquering of woman's
dread enemy—tumor. If you have
mysterious pains, inflammation, ulcer-
ation or displacement, don't wait for
time to confirm your fears and go
through the horrors of a hospital op-
eration, but try Lydia E. Pinkham's Vege-
table Compound at once.

For thirty years Lydia E. Pinkham's
Vegetable Compound, made from roots
and herbs, has been the standard remedy
for female ills, and such unquestion-
able testimony as the above proves the
value of this famous remedy, and
should give confidence and hope to
every sick woman.

If you would like special advice
about your case write a confidential
letter to Mrs. Pinkham, at
Lynn, Mass. Her advice is free,
and always helpful.

KAPAA LEASE TERMS AGREED

Land Board Compromise On

Objections Voiced By

Trent.

The Kapa leases were approved by
the Land Board Friday, the lands
affected being those of Waipouli,
North and South Olehena and the Ka-
pa grazing lands. Owing to the stand
taken by Mr. Trent, a compromise was
agreed upon, providing that the leases
are to be of ten years duration and
the upset rental to be fifteen cents an
acre.

The applicants for the lands were
Charles Rice and the Maake Sugar
Company, who asked for the land on a
twenty-one year lease with an upset
rental of ten cents an acre.

Trent declared that an upset rental
of fifty cents an acre would not be
too much and that a five year lease
was long enough. Other members of
the Board thought that since there ap-
peared to be competition between Rice
and the Maake Sugar Company, the
Government was assured of getting all
that was coming to it on an upset
price of ten cents an acre.

The board opened its session Fri-
day afternoon with a discussion of the
Kapa leases, the land affected being
3679 acres and the suggested upset
price \$30 a year.

Trent calculated that this was less
than ten cents an acre, declaring that
it fixed the value of the land at \$6,000.
The compromise as stated was finally
agreed upon.

An application was read from Hugh
Galbraith for the purchase of Govern-
ment land adjoining the Wahiawa
homesteads. Galbraith offered \$100
but action was delayed until the
homesteaders could be communicated
with and informed of the application.

J. L. McLean's application for the
purchase of a small corner of Govern-
ment land in Nuuanu Valley received
the approval of the Board. It was
stated that McLean thought he had
purchased the land before but found that
the Government could not give him
title.

John H. Wilson's application for the
purchase of a lot in Moiliili at the
junction of King and Beretania avenue
was approved. The upset price was
\$200 but the Board granted the ap-
plication with the upset price left out.

An application of Zeno K. Meyers
for the purchase of a lot on the gov-
ernment road in the district of Hilo
was granted.

A discussion of a junket to the Ka-
pa lands was discussed but no definite
action was taken, the probability
being, however, that some members of
the Board will inspect the Kapa acre-
age.
